OUR contemporary of The Bulletin will probably be shocked when he learns that Colonel ALEX. K. McCLURK of the Democratic Philadelphia Times insists on voting the Republican ticket.

IT doesn't look very much like The Anhland Signal was burning up with Democracy when it says JOHN MCCART-NEW "18 just the man to Knock the socks off Mr. PAINIER, as the latter will find out before November."

The report that certain immigrants arrived at Philadelphia have been compelled to take a bath will do more to check immigration than all the proclamations that can be framed. Let the Government have the report telegraphed to all the countries of Kurope at once.

THE Democratic Legislature of Ken-tucky is just now between the Devil and Governor Brown. It is not at all im-probable that the so-called Election Law probable that the so-called Election Law passed by it, and approved by the Governor without a full investigation as to its igsality, will be declared inoperative. Several very eminent Democratic lawyers have expressed grave doubts as to the validity of the bill, and the Frankfort correspondent of The Louisville Times says if it is not re-enacted by October 4th it must "stand the test of the Courts, and perhaps of a Republican Federal Court."

AT a regimental reunion during the late Washington Encampment General Sickles said: "I know President Hak-RISON. He was a brave soldier. BEN Habrison sent no substitute to the front.
